The modern accommodation comprises an open plan living space full of natural light with French doors opening to a Juliette Balcony which provides a view of the pretty and well-maintained communal gardens.

The tall freestanding fridge/freezer is included in the sale. There is ample space for a dining room table and chairs, sofas and plenty of occasional furniture. The family bathroom is stylishly fitted and finished with contemporary sanitary ware to include a paneled bath with a glass screen and thermostatic shower above, a wash hand basin, low level WC, a heated towel rail and fully tiled walls & flooring.

The apartment is neutrally decorated with warm white cabinetry and light laminate flooring. It benefits from UPVC double glazing and underfloor heating throughout. There is allocated parking for one vehicle in the barrier-controlled car park, a lockable caged storage area and communal beach showers. There is also a communal garden and BBQ area to the rear of the development with some lovely views of the coastline and ocean beyond.
