Wadebridge is a thriving market town on the river Camel, which offers a fine selection of independent shops and amenities including a sports centre, cinema, a primary and secondary school and a selection of supermarkets. Wadebridge also enjoys the Camel Trail, a popular and almost level cycle route which runs between Padstow and Bodmin, formerly the railway track. The historic and picturesque fishing town of Padstow is just six miles distant and offers an extensive range of cafes, public houses and restaurants, none more so than Paul Ainsworth's Michelin starred No.6, cool seafood bar Prawn On The Lawn and of course Rick Steins esteemed Seafood restaurant. The nearest station is Bodmin Parkway which is approximately 15 miles distant as is the nearest airport at Newquay.

To find Lamorna, cross the bridge into Wadebridge Town centre and then turn left at the mini roundabout at the bottom of Molesworth Street. Pass the cinema and then turn left at the next mini roundabout. Follow the road round to the right into Southern Way and continue as it becomes Guineaport Road. At the very end of the road, bear right just by the start of the Camel Trail and follow the lane up and round the bend. Lamorna can be found directly in front of you.
