With a beautiful natural slate floor underfoot together with underfloor heating, there is ample space for sofas, dining table and chairs and occasional furniture.

The contemporary kitchen has a granite work surface and an array of sleek cabinets and drawers together with a rangemaster cooker, breakfast bar, freestanding fridge/freezer, dishwasher and washing machine.

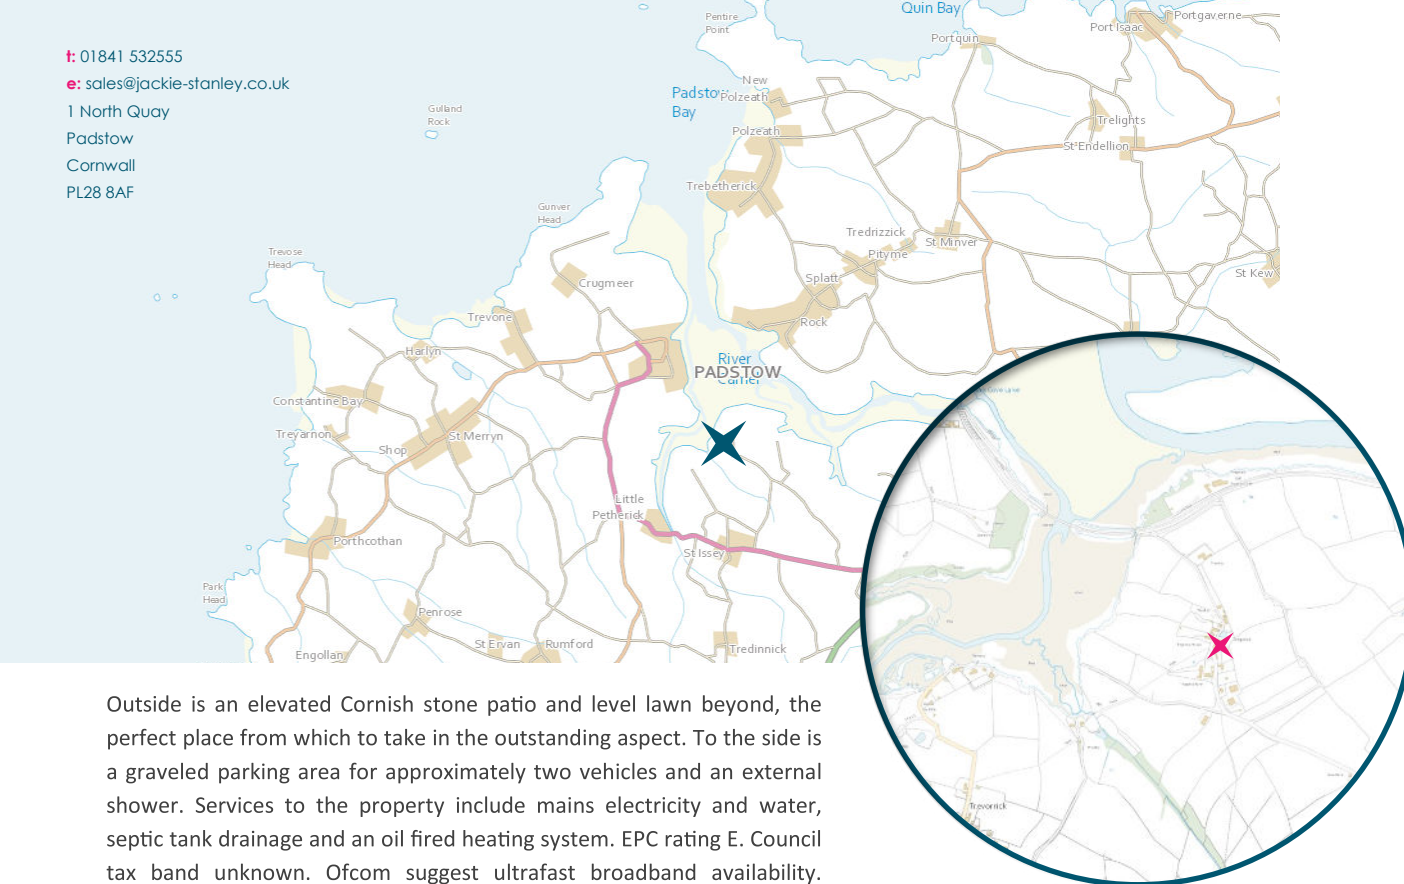

The ground floor has an inviting entrance hall with exposed stone walls, slate floor, slate bench and recessed shelving. There is also an inner hall, deep cupboard, double bedroom and cloakroom.

Up on the first floor is a magnificent double bedroom with full gable end multi pane window, framing perfectly the outstanding far reaching views across the surrounding countryside to the Camel Estuary, Padstow and Rock. The third bedroom is also a genuine double with a high ceiling and built in wardrobe and the fourth bedroom is considered a single room again with built in wardrobe/drawers. There is a modern shower room and separate bathroom with stylish tiling.
